Why support Science Resources?

Science Resources enriches the lives of young students by providing outstanding science, math, and engineering experiences through programs such as these:

- Greater Philadelphia Homeschool Science Fair (GPHSF)
- RoboWhizards FIRST LEGO League (FLL) middle school robotics teams
- Driven Robotics high school robotics team
- Science Academy science and technology classes
- Enrichment programs like Math Olympiad, Forensic Science, etc.
- Mentoring network of science and engineering professionals.

Science Resources relies on the contributions of individuals and businesses to keep our programs affordable. We accept monetary contributions as well as in-kind donations of equipment, supplies, prizes, lab & meeting space, food, and services. And if your organization is interested in becoming a corporate sponsor of a specific program, contact our directors.

Please check one box to indicate the program designation for your contribution. Fill out your business/personal information, and make your check payable to "Science Resources." Thank you for your support!

My contribution of \$ _____

(in-kind: _____) is for:

- GPHSF
- RoboWhizards FLL (middle school)
- Driven Robotics (high school)
- Science Resources (unrestricted)
- Other Program: _____

Science Resources is a 501(c)(3) non-profit organization and contributions are tax deductible to the extent provided by IRS tax laws and regulations (EIN #77-0620611).
